Property #11: Not for sissies -- don't even think about looking at this 20.33 acres unless you have a high clearance 4WD vehicle! However, once you get there you will be surprised by what it has to offer. The owner has done selective clearing around the cabin which has created a "park like" setting. Cabin is cozy but has plenty of room for sleeping and electricity is very close. The diverse terrain includes rugged ridge lines & steep hillside but is very level at the front where the cabin is. This would make a perfect retreat for someone looking for privacy and seclusion. Hunting should be excellent! \$3,995 AC.
